**EXPLOSION-PROOF DIFFERENTIAL PRESSURE SWITCH**

**SERIES 1950**

Compact, Low Cost, Explosion-proof and Weatherproof

**APPLICATIONS**

- HVAC applications
- Process applications
- All-weather applications

**FEATURES/BENEFITS**

- Explosion-proof and weatherproof housing provides device protection for outdoor use or harsh environment operation
- External set point screw provides easy access that simplifies making adjustments without opening or disassembling enclosure
- Easily accessible electrical connection simplifies the installation

**APPLICATIONS**

- HVAC applications
- Process applications
- All-weather applications

---

**SERIES 1950G**

Explosion-proof, Weatherproof, Compatible with Natural Gases

**FEATURES/BENEFITS**

- Compatible with natural gas making it suitable for use in those applications
- External set point screw provides easy access that simplifies making adjustments without opening or disassembling enclosure
- Easily accessible electrical connection simplifies the installation

**APPLICATIONS**

- Natural gas applications
- Process applications
- All-weather applications
