ACCESSORIES

Thermometers, Psychrometer, Slide Charts

Pumps

Carrying Cases

Optional Accessory Kits for Air Filter Switches

MODELS

A-350, Aspirator Bulb. Used as pressure source in calibration and leakage tests, to
draw gas sample into CO₂ indicator or smoke gage. .......................... $14.50
A-394, Electric Air Pump. Provides convenient source of purge air in bubbler type
liquid level systems. Dual diaphragm design allows operation of two systems
simultaneously. .................................................................................. 42.25
A-396A, Calibration pump. Serves as pressure source to calibrate gages and
transmitters or to set pressure switches. Use with manometer or other pressure
standard. Includes volume adjuster enabling fine pressure control and bleed valve.
Generates pressures from a fraction of an inch w.c. to 72 psig (5 bar). Includes
barbed fitting, tee connector and three 36” lengths of vinyl tubing. .......... 350.00
(Items are subject to Schedule B discounts.)

Steel cases are substantially constructed and finished in gray hammerloid.
Molded plastic cases are gray, high density polyethylene.

A-401, Plastic Carrying Case for 1212 Gas Pressure Kit, 910 Smoke Gage and up
to 36” Roll up Manometers – 7-9/16” x 5-7/8” x 2-13/16” ................. 52.25
A-402A, Nylon Carrying Pouch for Series 475, 477, 490 Digital Manometers
7-1/2” x 3” x 2-1/4” ........................................................................... 40.50
12-1/4” x 6-1/4” x 1-3/4” ............................................................... 43.25
A-405, Plastic Carrying Case for Portable Inclined Gages 109, 100.5, 104-6, 102,
102.5 – 13-1/2” x 10” x 2-3/8” ....................................................... 48.50
A-413, Steel Carrying Case for Portable Draft Gages 104-8, 104-10 and 48” and
larger Slack Tube Manometers – 18-1/2” x 4-3/8” x 2-1/4” ..................... 101.00
A-430-1, Plastic Carrying Case for 1200 series Combustion Test Kit ........ 111.00
A-431, Steel Carrying Case for Air Velocity Meter, 400-5 ........................ 165.00
A-432, Plastic Carrying Case for Magnehelic® Gage includes mounting stand,
rubber tube, etc. (pgs. 4-5) .............................................................. 48.00
A-433, Steel Carrying Case for Air Velocity Meter, 400-10 ................... 154.00
A-460, Plastic Envelope for inclined Gages 170, 171, 172 ..................... 7.90
A-463, Plastic Carrying Case with foam liner for 475-1 AV Air Velocity Kit –
13-1/2” x 10” x 2-3/8” .................................................................. 73.00

A-503, Dial Thermometer, 0 to 250°F and -20 to 120°C ..................... 35.00
A-503, Dial Thermometer, 200 to 1000°F and 100 to 540°C ............... 35.00
A-525, Pocket type sling Psychrometer. Furnished complete with Psychrometric
charts. Psychrometric slide chart, and carrying case .......................... 177.00
A-527, Replacement Wick for Psychrometer ....................................... 3.20
A-530, Psychrometric Slide Chart ..................................................... 29.00
A-531, Oil Burner Efficiency Slide Chart .......................................... 13.75
A-532, Air Velocity Calculator Slide Chart ...................................... 9.90
A-533, Metric English Pressure and Flow Conversion Slide Chart ....... 13.75
A-534, International L.H.V. Combustion Efficiency Slide Chart ....... 27.00
A-536, Metric Air Velocity Calculator Slide Chart .......................... 9.90

A-602, Air Filter Kit. Accessory package for using switch without a gage includes two
pressure tips with integral compression fittings, two 5 ft. lengths of 1/4” aluminum
tubing and two 1/8” NPT to 1/4” tubing compression fittings ............... 27.50
A-603, “T” Kit. Accessory package for using pressure switch in conjunction with an
air filter kit equipped Magnehelic® or Series 250 AF gages. Includes two 1/8” NPT
to 1/4” tubing compression fittings and two compression tees .................. 17.75
A-604, “T” Kit. Accessory package for using pressure switch in conjunction with
Mark II gages includes two plastic tubing connector tees and two plastic tubing to
1/8” NPT adapters ........................................................................... 8.70
