

Dwyer Instruments, LLC

A General Statement Concerning Product Compliance With Various RoHS Requirements

RoHS

Restriction of Hazardous Substances in Electrical and Electronic Equipment

Rules restricting the use of hazardous substances in electrical and electronic equipment to protect the environment and public health.

Product Related Compliance

Due to the variety of products offered for sale, Dwyer is unable to issue one statement covering all of its products, concerning RoHS compliance.

Please refer to the individual product page on our website. Compliance statements can be found under the “Approvals” tab for each individual product.
