

Subject: EU Directive on Registration, Authorization and Restriction of Chemicals (REACH) and Dwyer Instruments, LLC Products

Dwyer Instruments, LLC is committed to meeting REACH requirements in cooperation with our customers and suppliers.

Dwyer Instruments, LLC supplies both articles and substances under REACH. Dwyer is not required to register its articles under REACH. Dwyer relies upon its suppliers for registration of any substances required by REACH or notification that Substances of Very High Concern (SVHC) are contained in the supplier provided materials or products. Under normal, reasonable, and customary conditions of use, Dwyer articles should not release any substances, including SVHC's.

As a reference, the Candidate List of Substances of Very High Concern (SVHC) is continually updated by the European Chemicals Agency ECHA. Please follow this link for the most recent SVHC candidate list <https://echa.europa.eu/candidate-list-table>

The information reviewed by Dwyer has been obtained from supplier feedback and technical data. Product users are responsible for determining the applicability of REACH and other related environmental regulations based upon their individual requirements and utilization. Dwyer makes no express or implied representations or warranties with respect to the information in this letter.

Should you have any further questions, please do not hesitate to contact us.
